Pictured in this news letter are scenes from our recent Winter Camp. Each year we hold two camps, a winter and a summer camp. The purposes are always the same, "To present the Gospel to unchurched teens". And God is always faithful. Once again many teens responded to an excellent message by our speaker and accepted Christ into their lives.

By the way, this year's speaker is a former club teen who is now a pastor. Wow!! God is truly using this organization one generation after another generation.

A sad story from camp. A 10<sup>th</sup> grade boy had signed up for camp. Out of his own pocket he paid the registration fee, then he worked hard to get a scholarship for the balance of the cost. Now is when the story turns sour. His mom is in jail, dad is no where to be found. An older brother is the legal guardian for this fellow. We require a signed and notarized form by the parents/guardians of all teens that attend our camps. For some reason, we may never know the why, the brother would not sign the form. The poor kid was crushed. He could not attend camp.

Please pray for this teen and so many like him. Their world is fallen and it is in unbelievable turmoil. The Gospel is the only solution. Pray for our staff and for and many volunteers that we would be given boldness and wisdom to reach them for Christ.
