JULY 2014

Summer camp 2014 is over, but what God did will last for eternity. Below is a picture of just one night's alter call.

When we counted up all of the responses to the Gospel Message 50 teens had come forward. And when we gave believers an opportunity to make a re-dedication to Christ the response was over whelming. All told more than 90% of the teens at camp either accepted Christ or made a re-dedication decision. What a thrill it was to be part of what God is doing at this camp!

Thank you for praying.

God does work when His people pray!

Now the real work begins. We have a 4 week Bible Study course for all of these new babies in Christ. Pray for us as we begin the process of following these teens up who made decisions to make Jesus Lord of their lives.

One conversation just may sum up this year's camp. While walking back to their room after an evening session, a young boy began to cry. When asked what was wrong, he said, "tonight I asked God to forgive all of my sins, now I feel so clean, I can't stop crying." Wow, what a joy to be part of what God is doing.
