

# Central Pa Youth Ministries

For nearly 30 years, Central Pa Youth Ministries's Impact Conferences have been the largest youth event in this part of the state. Impact 2017 was not an exception.

Pictured throughout this newsletter are scenes from this year's conference. What touched the hearts of most of the adults in attendance was the way the teens got serious about their faith. Have you ever seen 100's, yes hundreds of teenagers on their knees praying? It is a sight that will bring tears to your eyes.

Story after story is rolling in on how God worked in life after life. And we are certain He will continue the good work He has begun. Join us and hundreds of Christian adults throughout Central Pa as we hold these precious souls up in prayer.

They are back in school this week. Pray that their commitment to live for Christ, to be a healer in their school and not a hindrance to the Gospel will win many a lost soul for Christ. Our speaker, Allen Griffin challenged this generation to make a difference for Christ. They can do it. But, I believe it is up to us adults to support them. They are willing to give it a try are you willing to cover them in prayer?
