May 2015

When was the last time you saw God answer a specific prayer request with a specific answer? For too many of us in the Church we find this question hard to answer. Some even go as far as to say, “God and I don’t talk very often”, and others say, “God doesn’t seem to hear me”. Isn’t it a shame that so few ever get to experience the Lord at work.

That hasn’t been the situation here at Central Pa Youth Ministries. First, we needed a new 15 passenger van. We had been trying for several years to get the nearly \$30,000 raised. Our efforts were getting us only frustrated. Finally we started to tell God’s people about our need. Within two months the money was raised and the van was purchased. Praise God!

Second, we need a nurse every time we go on one of our camps. Every nurse we had counted on in the past couldn’t make this year’s summer camp. So we went to God in prayer. Asked everyone we could think of to join us in prayer. Monday of this week we got our nurse. Praise God!!

Third, we have the largest number of teens in the last 25 years coming to our summer camp next month. That creates many problems. Transportation, finalized this morning. Praise God!!! Counselors, taken care of, we have enough. Praise God!!!!

Oh yes we still have one more big prayer request. Please join us in prayer, asking God to touch many lives next month at camp with the Gospel.
