

Central Pa Youth Ministries

Do you ever think about things like this, "I wonder what an unchurched teens thinks when you mention creation?" Try this story. One of our volunteer gals shared this with me recently.

She was running a small group Bible Study with middle school age kids. One night a regular attender brought a friend who was growing up in a home that never attended church. The topic that evening was creation. At the end of the Bible Study the new teen asked this question, "you are telling me I was created by God?" "Yes, that is correct." "Wow", he said, "that's great, I never knew I was created."

Hearing this story sent chills up and down my spine. Just think, there are young kids all over Central Pa that do not know there is a God who loves them, who created them and who sent His Son to die for their sins.

Please keep our 10 missionaries in your prayers as we share the greatest story ever told with a lost generation. Pray that many souls will come to commit their lives to the Savior. Especially pray for our winter outreach camp, "X-treme Escape Weekend", in early January 2017. The new year will be here before we know it.
