**Think School!** A very common phrase heard every year. Ok, so what do you think of when you think school?

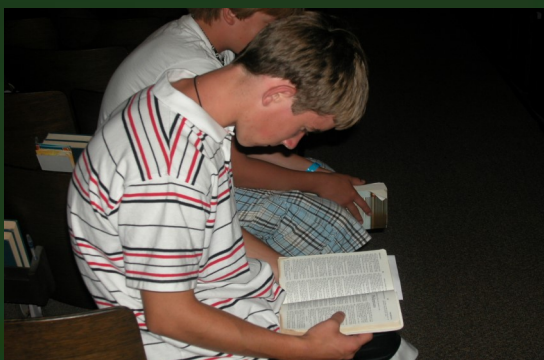

I can tell you what our missionaries are thinking about, lost souls, unchurched teens, kids with what looks like no future. An all too common example is Stevie.

Stevie's mom and dad are divorced. Mom is in jail, dad is gone, no one knows where he is. Stevie lives with his older brother, the brother's girlfriend and their baby. The brother doesn't have a job, he can't afford to pay the electric bills, so they are moving to another county that has a different electric company. Stevie will soon be in his 3<sup>rd</sup> different school in less than 6 months.

Stevie knows our staff person in the school district he is moving to, he meet him at this year's summer camp and he really likes the guy. Stevie can't wait to get to his club meetings. Wow!! God works out all things to those who love Him.

Our schools are filled with Stevie's, no hope, no home, nothing but emptiness. Please pray for our 9 missionaries this fall as you think School. Pray that we would be bold in taking the Gospel to the Stevie's of this world. ***Their lostness is great!***
